

GRAHAM HILL WATER NEWS

A Monthly Insight Into Current Water Events

October 2017

Director Keith Dyson Retires

Director Keith Dyson recently retired from the Board of Directors after serving for 11 years with Graham Hill Mutual Water Company. Keith's involvement with the company ranged from volunteering to serve on many committees over the years to testing DCVA devices as a certified BAT tester to ensure the safety of our water system. All of his efforts for the company were invaluable and he will be greatly missed. We wish him and his wife Cheryl all the best!

Director Position Available

The Board of Directors is accepting resumes for the unexpired term of retiring Director Keith Dyson. The requirements include that directors are a member of the Corporation, attend monthly board meetings held every third Tuesday and the Annual Meeting. Please send your resume to 9922 249th Street East, Graham, WA, 98338 or contact the office at 847-8617 for more information.

Changes to the By-Laws

Article XIV, Responsibility of Members, Section 2 of the By-Laws was amended at the Annual Meeting on September 19th, 2017. The amended By-Law now reads:

In the event of one month delinquency in the payment of any bill due, termination of water services will commence, and will include penalties as established by the Board of Directors. Said notices shall indicate that if payment in the entire amount is not received within seven days, or satisfactory arrangements made for such payment, water service shall be cut off and that the same shall not be again connected until the delinquency is paid.
